Tornado USB Card Reader/Writer 6-in-1

The Tornado USB Card Reader (6-in-1) is a portable device that can read and write to 6 different storage media: IBM Micro drive, MultiMedia Card (MMC), Memory Stick (MS), Secured Digital (SD), Compact Flash (CF) and Smart Media (SMC). With the USB interface, the Tornado USB Card Reader can be easily installed on any PC, Mac or notebook. The Tornado USB PC Card Reader/Writer can be used as a desktop device and, because of its design, easy to carry with the integrated protection case. The Tornado USB Card Reader provides an ideal solution for those who want the convenience and mobility with different kind of storage cards.
